Summary:

The Responsible Pet Ownership Bylaw No. 19/025 was passed by Council on November 19, 2019. The proposed amendment, Bylaw No. 20/006, is required to correct errors in numbering and references to schedules that have been deleted from this bylaw. This amendment does not alter the content of the bylaw.

Background:

During debate on the Responsible Pet Ownership Bylaw No. 19/025 a number of amendments were brought forward to properly reference supporting bylaws, correct clerical errors and to delete the original Schedule A. These changes resulted in sections referencing a schedule that was no longer included in the bylaw and Schedule A being numbered incorrectly.

Rationale for Recommendation:

The amendments to the Responsible Pet Ownership Bylaw are necessary to ensure the integrity of the bylaw and successful prosecutions in the future. The content of the bylaw remains the same as it was on November 19, 2019.

Strategic Priorities:

Responsible Government
