Developmental Activity Information

Name of Program/Project: The Post Dance Experience
Beginning Date (YYYY-MM-DD): 2019-10-04
Completion Date (YYYY-MM-DD): 2019-10-06
Location: Calgary, Alberta - The Westin Hotel

Provide a description of the activity including any objectives and/or community benefit OR attach a brochure or activity outline (space continues on next page):

The POST Dance Experience will provide the dancers with a 2 Day dance experience where they will enhance their skills, learning from dance industry leaders. These leaders will be sharing their knowledge with the children through on the floor techniques and in informative workshops. The POST instructors will teach acting, lyrical, jazz, musical theatre, hiphop, african jazz, and contemporary styles of dance. The POST connects industry mentors with dancers through a unique convention experience. The convention recognizes

(continued from previous)

leadership and awards Ambassadors and also provides some dancers with scholarships.

This experience is unique, challenging and highly effective as a supplemental training opportunity. It also is a wonderful team building connection that allows for healthy friendships and ultimately a strong community of children who will return back to Fort McMurray as better humans.

Describe how these short-term programs or activities are beyond the applicants' regular on-going training or instruction.

Generation Competitive Dancers currently train 5-7 days in Fort McMurray.

This convention is a special opportunity to grow as dancers and artists by connecting ~~with~~ industry leaders and mentors with the dancers to pass along and share experiences and knowledge. It is designed to bring people together and unify under a single goal. It will push the dancers out of their comfort zones and they will return better than when they arrived. The post convention environment is an important component in building strong, confident and resilient dancers.
