Accomplishments

Please provide a brief description of:

- applicants' accomplishments leading up to the qualification event; or
- how the applicant meets qualifications to compete, if not through a qualifying event.

I, Brooke Lacey was a competitive hockey player in the Fort McMurray Minor Hockey system and upon graduation from minor hockey I started participating in snowboarding at Vista Ridge. During my grade 12 year in high school I shifted from competing competitively in girls hockey at the Alberta Provincial Championships to entering the Arctic Winter Games Qualifications where I was chosen as an alternate athlete.

In my university years I started to develop a competitive level of snowboarding as a member of the Sun Peaks Mountain community. In 2018 I joined the Sun Peaks Volunteer Ski Patrol, where I was encouraged to try out for Team Canada in the 2019 Winter Universiade Games. I met the qualifications to compete by submitting a list of my accomplished tricks, skills and experience. After my application I was invited to be a member of the 12 person Alpine Snowboard team to represent Canada at the Krasnoyarsk Winter Universiade games. I was the single Canadian representative for the Slopestyle division. In the competition I had the opportunity to compete against some of the best female snowboarders from France, China, Netherlands, Germany, Russia & other European nations.

November 2nd, 2018

Brooke Lacey will be representing Canada and Thompson Rivers University at the 29th Winter Universiade Krasnoyarsk 2019 in the heart of Siberia in March 2019. Brooke will be competing in the slopestyle events.

This event is self-funded and is estimated to cost \$5000.00 for her to travel and compete in these games. This amount does not include any expenses related to training or competing in the lead up to the Universiade. Any support that can be provided to assist her in the endeavor of representing her country and her university on the international stage would go very far in this achievement.

Thank you,

Adam Higgins
