RE: Alberta 2019-20 Regional EXCEL Program – Invitation Letter

Hello,

We are pleased to inform you that you have been **selected** by Alberta Soccer to be part of the 2019-20 Alberta Regional EXCEL program (REX).

The Women's Regional EXCEL Centres are licensed by Canada Soccer and delivered through Provincial/Territorial Member Associations and partners. Women's Regional EXCEL Centres provide talented U-13 to U-18 players with a comprehensive program based on a standardized national curriculum. This allows talented players to accumulate high-quality training hours on par with leading European nations and begin to develop world-class attributes in the four corners of development.

Alberta Soccer Association Technical Staff with support from the Canadian Soccer Association Regional EXCEL Talent Manager have recently completed a comprehensive scouting process in Alberta. You will see below an outline on the steps that was taken to guide our decision making to select players into the Alberta Regional EXCEL Program:

- Alberta REX & Club program scouting by ASA Technical Staff
- Scouting at Local & Provincial Tournaments in Calgary and Edmonton
- Players that are showing the long-term potential to be a CSA Gold Medal Standard player
- Guidance from Club Technical Director's & Technical Staff
- ABREX Combines in Edmonton and Calgary

Talented players that participate in the Regional EXCEL program will train/play 4 days per week in a **"best with best"** environment with Nationally/Internationally licensed coaches from Monday Sept. 20, 2019 to Sunday March 31, 2020. Alberta Soccer has also partnered with the Canadian Sports Institute and Alberta Sport Development Centre to provide Physical Testing, Strength & Conditioning, Nutrition workshops Mental Skills training, and sport medicine doctors from the University of Alberta to ensure the players are receiving modern and World Class Sports Science support to reach their full potential.

The Regional EXCEL centre will be the primary scouting system in Alberta for players to progress into the Women's National EXCEL system.

Additional benefits for being part of the Regional EXCEL program are:

- Players will receive CSA Women's National Curriculum daily (High quality contacts in a "best with best" environment)
- 2x-3x per year players receive CSA Gold Medal Standard Progress reports that indicate individual strengths and developmental areas
- Every Category "A" Match (REX v Boys or REX v REX) is analyzed and measured against CSA Gold Medal Technical Standards
- Players are Physically tested 3x-4x per year and benchmarked against CSA Gold Medal Physical Standards
- Players will have access to match videos on a regular basis via our Online Platform
