

Hello Timberlea School:

Wood Buffalo Communities in Bloom is excited you are planting a garden and have a Garden Market in your Kindergarten class!

We would like to donate some plants for your Garden Market. The plants are:

- 1 Pear tomato plant
- 2 Manitoba tomato plants
- 2 Zinnia flowers
- 2 Marigold flowers
- 2 Blue Aster flowers (2020 Flower of the year seeds included)

Communities in Bloom Canada is offering a **Hope is Growing** program. Encouraging everyone to grow a Hope Garden – A garden bursting with Yellow flowers.

If your school or families are interested in participating in a virtual Communities in Bloom garden project go to [www.hopeisgrowing.ca](http://www.hopeisgrowing.ca) to register.

#HopeisGrowing

On behalf of Wood Buffalo Communities in Bloom Committee, thank you for making your community more beautiful. Keep it growing!
