[Redacted] Amazing fights this weekend. I haven't heard the comments, but I was at the event, and it was top notch right from the food to the fighters, and of course the fights. Congrats and huge respect and appreciation to all those involved. I will be there for every Prestege event.

FEEDBACK

The Wood Buffalo RCMP Detachment:

- “With the two large combative sports events held in Fort McMurray we are pleased to report that neither event generated any increase in police calls for service which was assisted by the use of private security companies. We look forward to continued communications about upcoming events and positive relationship with the Commission.”
