

Subject: Scheduling of Council Meeting – September 1, 2015

APPROVALS:

David Leflar, Director
Kevin Scoble, Acting Chief Administrative Officer

Administrative Recommendation:

THAT a regular Council meeting be scheduled to take place on Tuesday, September 1, 2015, beginning at 6:00 p.m.

Summary and Background:

In the past number of months, Council agendas have been quite large and often resulted in long meetings, or with items having to be dealt with at another time. As such, there has been an expressed desire to have weekly Council meetings which will enable items to be dealt with in a more effective and efficient manner without unnecessary delays. Therefore, Administration recommends that a Council meeting be scheduled on Tuesday, September 1, 2015, to allow for a more balanced distribution of agenda items.

Rationale for Recommendation:

In order to conduct Council's business in a timely fashion, Administration recommends that Council schedule a meeting to be held on Tuesday, September 1, 2015 in addition to the already scheduled meeting for September 8, 2015.
