**Subject:** Proposal for Community Identification Committee re: Robert James Campbell

**External Message - Please be cautious when opening links or attachments in email**

Hi Such,

As discussed in our phone conversation on Monday, March 21, 2022, I would like for you to please bring forth the following requests to the Community Identification Committee in regards to using our father's name.

Our number one priority as a family is to have our father's name to be used for naming a Fort McMurray sport related facility. However, because this type of development will likely take years, we are requesting in the interim a Fort McMurray street be named as long as it does not jeopardize taking his name out of the inventory for a sports facility/complex.

We understand that Fort McMurray already has a 'Campbell' street, therefore we are proposing using a different variation of the name such as RJC (for Robert James Campbell). We understand that you cannot rename the Fort Chipewyan Campbell Crescent, so we are simply requesting that his name/application be detached from this street as it is not relevant to where our father lived and contributed for 40 years. As mentioned in the original application, Robert James Campbell currently has 15 family members residing in Fort McMurray. Therefore, I am sure the committee can appreciate the desire to want his name/legacy to be recognized in the city of Fort McMurray.

I, Ali Myers, would be happy to present this proposal to the CIC at the next meeting on April 28, 2022.

Thank you,

Ali Myers
