Chief Administrative Officer**Recommended Motion:**

THAT a regular council meeting be scheduled to take place on Tuesday, July 6, 2021, beginning at 4:00 p.m.

Summary and Background:

The Council meeting immediately prior to Council's scheduled summer recess has historically had a very heavy agenda, which often results in long meetings, or items having to be dealt with at another time. As a number of time-sensitive business items have already been identified, Administration recommends that an additional Council meeting be scheduled to be held on Tuesday, July 6, 2021, to allow for a more balanced distribution of agenda items.

Rationale for Recommendation:

In order to conduct Council's business in a timely fashion prior to the upcoming summer recess period, Administration recommends that Council schedule a meeting to be held on July 6, 2021 in addition to the already scheduled meeting for July 13, 2021.

Strategic Priorities:
