Dear Madam:

**Re: Andrew Thorne et al v. Dunvegan Gardens (AB) Ltd. et al**

This morning we were made aware that there is a new "Support Dunvegan Gardens" facebook page that has been created.

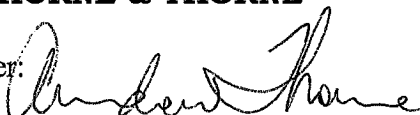

We are aware that over the past weeks, since the Stop Order was issued against Dunvegan Gardens, Brad Friesen and the other related parties, that Brad Friesen has been making efforts to circumvent the law by approaching RMWB officials and engaging in a publicity campaign that includes a facebook page.

We have reviewed and documented the site and noted that there are derogatory comments about myself and our law firm. One party suggests that people honk their horn as they pass my house at all hours of the night. Your client's name is on this site. Your client owns its name and has legal control over the use of its name in Alberta. Your client prompted and promoted the site by providing the community with limited information and facts.

We hereby demand that your client immediately cease its latest smear campaign and take the necessary steps to remove this site from the internet.

Yours truly,

**THORNE & THORNE**
