It is part of Alberta Schools Athletic Association and consists of membership of currently 373 high schools, which ultimately determines the policy of the Association through representation on the provincial Board of Governors.

The Association holds two meetings annually, typically in May and December. The Executive Committee, comprised of the President, Past President or Vice President, Executive Member at Large, Male and Female Athletic Directors, Past Athletic Director and the Executive Director, is responsible for the management of the ASAA on a day-to-day basis.

Although ASAA activities operate for the benefit of the students, it is the volunteers administering, coaching and promoting the program that are responsible for its success. Over 9000 school personnel and other volunteers in Alberta donate their time and talent to ensure that the schools' athletic programs will provide enjoyable, positive athletic experiences for their students.

ASAA Bylaws and Policy are intended to provide direction in the areas of equitable competition and ethical standards for all involved with school athletic programs. Technical expertise is provided through appointed commissioners and close liaison with provincial sports governing bodies.
