

The logo for Public Art Wood Buffalo is contained within a tilted yellow rectangle. It features the word "PUBLIC" in a light blue, sans-serif font at the top. Below it, the word "art" is written in a large, bold, blue, cursive script. At the bottom of the rectangle, the words "WOOD BUFFALO" are written in a light blue, sans-serif font.

Project Considerations

Artist Information Series All public art projects include information sessions at the initiation phase aimed at increasing capacity to apply and/or as professional development.

Mural Project Project is contingent on photographers access to rural communities and community participation. Estimated installation date is late September.

Bench Program Once artists are selected based on response to expression of interest, artists will provide timelines based on their varied use of materials.

Enhanced Fencing Once artists are selected based on response to expression of interest, artists will work on timelines based on materials and community engagement.

Disclaimer *All projects are intended to be installed in the months of September/October. Installation period can be impacted by ongoing Pandemic restrictions, access to materials, artist capacity, community engagement, weather and other parameters beyond control.*
