ATTENTION: Mayor and Council

Your Worship and Council:

Please accept this letter as the Regional Recreation Corporation of Wood Buffalo's (RRC) formal request for a review of our mandate to support finalization of our operating agreement.

Since the RRC does not currently operate all the existing facilities owned by the Regional Municipality of Wood Buffalo (RMWB), our request is that the mandate be reviewed and clarified as to which existing and future facilities the RRC will operate to support the needs of the residents.

Our bylaws currently state that the purpose and mandate of the Corporation are to: "operate existing and future recreational facilities and cultural facilities to serve the cultural, recreational and social needs of the residents of the RMWB."

Sincerely,

A handwritten signature in blue ink, appearing to read "Bruno Francoeur".
